SUBJECT: Chapter 68- Grizzly Bear Hunting Seasons

NATURE OF RULES: Legislative, Procedural

STATUTORY AUTHORITY: W.S. 23-1-302(a).

SUMMARY OF RULES: The Game and Fish Department is promulgating this emergency rule to amend a rule the Game and Fish Commission promulgated in May to regulate grizzly bear hunting seasons in the state. This emergency rule amends two hunt areas (areas 1 and 3) to provide for the correct boundary descriptions (by removing reference to Carter Mountain) before the season begins on September 1. The emergency rule also corrects a typographical error in a reference to a United States Forest Service road number.
